

Facilities:

At Hotspurs we have some of the best facilities in the city. Founders Field is our home base. All home games are played at Founders Field.

Lights

At Founders Field we have access to lights at our trainings, making sure all our teams can get the 1.5hrs of training in that they need to improve each night – not many clubs can boast that in the fall.

Goals & Equipment

We make sure all training practices have goals available to each teams practice. The right equipment to train is very important.

Dedicated Home Field

We pre-book our weekends of play so that Hotspurs teams always have a facility for home matches. This location is vital to building a club culture that we are very proud of. When you come to the field for games or practice you can feel the energy of the facility surround you

Safe & Secure

Founders field is a safe, secure location, with bathroom and meeting facilities. Parent meetings are frequently held in the meeting room at the field and offers the chance for teams to have team talks, chalk board sessions as well as get a roof over their head in case of rain or thunderstorms!
