

## A Hotspur player must:

Have the **ATTITUDE** to always want to improve

Have the **DESIRE/LOVE** for the game at all levels

Have the **TALENT** to play the game (if the attitude and desire is there, the talent becomes less important)

## A Hotspurs Parent Is:

Approachable

Encouraging & Positive at All Times

Able to see the future not focused on the present

Understanding

Trusting in the club to put the player first at all times

## A Hotspurs Coach is a Gardener:

'Like flowers we cannot force our players to grow or improve, we can only provide the conditions to promote growth, if we provide the atmosphere and conditions for growth then the player will flourish'
