

*Dear Prospective Player,*

This is a very special year for Pittsburgh Hotspurs as we enter our inaugural season in the National Premier Soccer League. I would like to take this opportunity to share with you the benefits of becoming a member at this time.

Our philosophy is a simple one, to **be the missing link in the player development pathway.**

Coupled with passion and an irrepressible desire, our stated aim maintain focus on a home-grown, Pittsburgh filled roster.

To hit the ground running in this first season, we're **pulling together a mixture of ability, experience, and potential to build a family unit where the output is better than the sum of its individual parts.** We aspire for our players to experience the technical, tactical and psychological input of collegiate level players no matter their current spot in their football career.

Additionally, we aim to not only compete in the league the first year, but advance through the playoffs and show the country's most competitive amateur league what Pittsburgh soccer is about.

At this level, **there is no debate between winning and development** – we will not rest until we achieve each goal.

We want a team that not only our current youth club but also **our community can get behind and be proud of.** We are going to build a successful team that is entertaining for players and fans alike. Keeping in mind, that football is a game, meant to entertain.

We will give our players the opportunity to earn both individual and team accolades, conference and NPSL honours, whilst representing Pittsburgh in National playoffs.

Finally, we're looking for players that are motivated to:

- Pass on what you know to Pittsburgh's next generation of top players
- Improve your resume as you look towards your next playing career move
- Stay sharp during your off-season
- Commit to a family-culture while extending your trophy laden playing career.

We're excited about the opportunity to provide Pittsburgh another top quality soccer experience. As you review the information below, please let us know any questions. We look forward to seeing you play.

**WE ARE GOING TO BUILD  
A SUCCESSFUL TEAM  
THAT IS ENTERTAINING  
FOR PLAYERS AND FANS  
ALIKE. KEEPING IN MIND,  
THAT FOOTBALL IS A  
GAME, MEANT TO  
ENTERTAIN.**
