PITTSBURGH 7

As one of the fastest growing competitive youth club in Western PA, we enter a team into the men's adult National Premier Soccer League (NPSL) to showcase our brand of football (soccer) that is exciting and does not lose sight of being a game that was created to entertain.

We strive to constantly evolve and drive the game forward in the Pittsburgh area with competitive team programs and community-based development centers for athletes of all skill levels.

And with your help... we can shift the game of soccer forward in both Pittsburgh and the States.

## **OUR STORY**

Hotspurs was founded in Sewickley, PA in 1985. Only one team competed at a time for over 11 years. The team was always a high school aged team that only competed and was formed when the Coach, Leo Moss, determined it was a group of players that could compete at a higher level. These teams went on to consistently earn the title of State Champs and compete at the National Level.

Coach Dan Grant and Ron Hitchens approached Moss to take over the club name. And with the Classic League shift to require a specific numbers of teams to compete at the club level, the club expanded to allow teams to use the Hotspurs name as long as their philosophy was to have fun, teach and develop the game, value a positive experience over winning championships, and keep the costs affordable for families.

The club started girls teams and shifted their presence to the North Hills.

Under the leadership of Grant and Hitchens, the club expanded to 5-6 teams, spanning multiple age teams. 2 of the teams earned recognition as the National Indoor Champs, under Coach Grant.

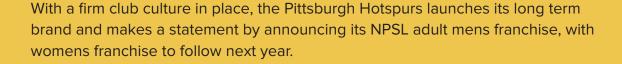

With the new league changes, Hotspurs would again make a cultural shift to meet the required number of teams. Coach 'Tommo' Ovenden joined the club with the promise of establishing a club culture and system to develop players - the club is re-launched with 150 players.

Establish our adult team programs as 50% homegrown (Hotspurs Grown Players).

WE STRIVE TO CONSTANTLY EVOLVE AND DRIVE THE GAME FORWARD IN THE PITTSBURGH AREA WITH COMPETITIVE TEAM PROGRAMS AS WELL AS THROUGH COMMUNITY-BASED DEVELOPMENT CENTERS OFFERED TO ATHLETES OF ALL SKILL LEVELS.
