

Current Player Pre-Offer Process

We continue to judge ourselves by our product and our players experience in our program. At the core of this is honesty and trust – two of our core values.

We will provide players with a clear understanding of where they fit in the program so they can determine what is the best choice for their development.

Our tryout process is found below. The 3 areas that we lean on when deciding the future of players are attitude, desire, & talent.

Step 1 - May 10-14, 2021

Review next year's program during Phase meeting

Step 2 - May 17, 2021

Player is emailed a pre-offer with team placement for the 21/22 season. All players will be given 1 of 3 status: Blue, at least White, No offer.

Step 3 - May 24, 2021

Pre-offer deadline.

Players accept their offer by completing their 2021/22 TeamSnap registration.

Players not responding will have their offer taken away, at which point they are trying out with everyone else on June 7th.
